8.0 LEAGUE POLICIES AND PROCEDURES

- a) The standings in the group shall be decided on the point system, two points for a win and one point to each Team for a tie game or overtime/shootout loss. In the event of a tie for any position at the conclusion of the schedule, the Team with the greater number of wins will be given the higher position.
- b) If wins and losses are the same, preference should then be determined by deciding the highest goal average. If still tied, then the Team which scored the first goal in the game between the two Teams takes the higher position.

If still tied, then the Team which received the least minutes in penalties through the series will take the higher position.

However, with unanimous consent of all Teams in a League, other means may be established for breaking the tie for any position in the group standing. Such other means must be established at the start of the season and filed with the Executive Director.

- c) All Teams or groups within the NOHA must play overtime when necessary. However, with the unanimous consent of the group members, other overtime arrangements can be requested of the NOHA Board of Directors.

- e) Minor-aged players registered on Teams with both minor/major Players will be allowed to affiliate with minor rep Teams in their Division (i.e. a first-year player on a U13 A Team can affiliate with a U12 AA Team in a higher category). This would not apply to Major AAA Teams.
- f) An Affiliated Player shall not be permitted to play for the selecting Team until their Hockey Canada registration has been endorsed by the NOHA Executive Director as being an Affiliated Player. Such endorsement may not be granted by the NOHA Executive Director before the written consent from both Teams involved in the affiliation is filed with the NOHA.

- g) Once a Player's Hockey Canada registration has been endorsed by the NOHA Executive Director as being an Affiliated Player, their name becomes part of the selecting Team's list of Affiliated Players and may not be dropped from such list during the current Season and replaced, unless:
 - i) the Team with which they Registered Releases them on or before January 10th; or

Note: The NOHA Tournament of Champions is considered Playoffs and therefore does count towards the ten (10) games total.
- b) If an Affiliate Player's Registered Team completes its regular Season and playoffs before the Player's Affiliated Team, the Player may thereafter Affiliate an unlimited number of times.
- c) The appearance of an Affiliated Player's name on the Official Game Report of a game shall be considered participation in the game except in the case of an alternate Goalkeeper, in which case only actual participation shall be considered as taking part in the game, and such participation shall be specially noted on the Official Game Report.
- d) In divisions that do not lead to a Regional or National Championship, a Goaltender may affiliate to more than one (1) Team upon approval of the Minor Hockey Association and of the District Council Director.

- i) When a Suspension is issued to a Player or Team Official while participating outside of the OHF territory, the Team is responsible to sit out the Player or Team Official for the minimum number of games according to the OHF Minimum Suspension List, unless the infraction calls for more games than the OHF Minimum Suspension List, in which case the Player or Team Official will serve the appropriate number of games.
