

NOHA U18 B Tournament of Champions

The George Anderson Memorial Trophy became emblematic for the new U18 “B” championship series in the 1966-1967 season. This trophy was presented to the NOHA by the Kapuskasing Lions Club, his friends, and associates. George acted as the NOHA Convener for the Kapuskasing area ten years prior to his passing and was one of the originals who worked tirelessly for the introduction of artificial ice in the arena.
