NOHA U15 B Tournament of Champions

The Lorne Chabot Trophy was presented by Don Chabot in 1985 on behalf of his father to the winner of the AA series. Lorne Chabot was born in Thunder Bay. He played on two Allan Cup teams. He played goal for the New York Rangers in 1927 (first year in the NHL). Lorne was also the goalie for the longest overtime game in history, March 24, 1936, a record that still stands today.
