Re: Proposed Amendments

---

Please find enclosed the proposed amendments for the 2022 NOHA Annual General Meeting, being hosted in Sault Ste. Marie from May 6-8, 2022.

We apologize for the delay in distributing these amendments. All amendments contained within the package have been submitted by the deadline of February 1, 2022.

Please see below a couple of important points regarding the amendments.

### **Freedom of Movement – Motions #13 and #14**

Please be advised that these motions will be officially withdrawn during the AGM on May 7.

Based on discussion at the previous AGM – and based on chatter heard during the season – the NOHA Board anticipated receiving amendment(s) from Member Associations on various forms of freedom of movement.

As the NOHA amendments were submitted by the February 1 deadline, they need to be published, however we wish to make the Members aware that Motions #13 and #14 will be withdrawn.

As well, Motion #15, which deals with freedom of movement for U7, will go forward from the NOHA Executive.

### **U9 Full Ice Tournaments – Motion #30**

The NOHA has discussed this amendment with the OHF and Hockey Canada. We are awaiting confirmation from the OHF as to whether the number of Tournaments permitted in full ice is policy within the OHF.

The amendment has been published while we await this answer. Further information will be shared when received.
