Ken Miller Memorial Award

The Ken Miller Memorial Award is given in honour of Ken Miller, who held many roles in hockey, including serving as the NOHA Director of Officials and OHF Referee-in-Chief from 1988-1996 and OHL Officiating Manager/Director of Security.

This Official has played a key role in the Officiating Program within their District; someone who would be sorely missed if they were no longer involved, a Supervisor who is always willing to go out and supervise younger Officials, or a person who has assisted with the assigning, instruction, and administration at Development Camps.
