As the signing authority for our Hockey Team, I acknowledge on behalf of our team the importance of being respectful at the Hotel(s) we will be staying at during this tournament.

We understand that hosting hockey teams in Northern Ontario is becoming increasingly difficult for Hoteliers.

Our team will ensure that there is no unwelcome behaviour at the hotel(s) we are staying at for this tournament.

We acknowledge that if there are issues at the hotel, the sanctions outlined in the NOHA Hotel Code of Conduct Policy will apply to our team

Upon check-in we will provide a contact name to the Hotel(s) and the Tournament Committee.

As the signing authority of this document, I will ensure that all team staff, players, and parents staying at the hotel are aware of the repercussions for inappropriate behaviour while staying at the Hotel(s) prior to the Tournament.
